Re: J. Barrows, Inc. v. Joseph Uvino, et al.
Index No. CV 09-03905

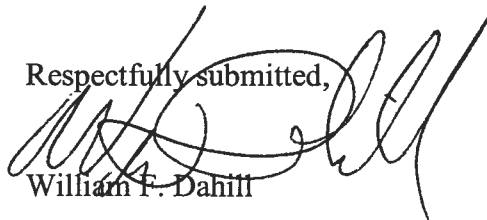

Dear Judge Wexler:

We represent the Uvinos in the above referenced matter, and I write in opposition to Document #155, a purported motion in limine by John Barrows and John Barrows, Inc. (together, "Barrows"). Yet again, Barrows' motion in the main is a rehash of arguments made on summary judgment, which the court summarily denied by Order dated August 8, 2011 (Document #149).

At the risk of stating the obvious, combined with defendant Kaehler Moore Architect's filing last evening of a repeat of its summary judgment motion which the court also denied by its August 8 order, perhaps the court can get a sense of the conduct of the parties against whom the Uvinos have asserted claims.

We look forward to jury selection Monday morning.

Respectfully submitted,

William F. Dahill
